ECHELON AT A GLANCE

Echelon Institute of Technology (EIT) Faridabad, a beacon of educational excellence since 2007, offers you the chance to join a legacy of global learning. EIT Faridabad opens the doors to a world-class education experience.

SHAPING BRIGHT FUTURES

- The 17.5-acre campus sets the stage for dynamic learning.
- Guided by 50+ Ph.D. faculties, embark on your educational journey.
- Benefit from extensive industry partnerships and engagement.
- Experience modern amenities in the heart of Delhi NCR.
- Located just 20 Kms from Delhi, with access to corporate hubs.
- Housing for 4,000+ students ensures a convenient campus life.
- Explore multidisciplinary research at our Center of Excellence.
- Our mentor program fosters close faculty-student interactions.
- 15 clubs for activities and organisations for all-round growth.
- 70+ well-equipped Labs with latest advancements in technology.
- An expansive library housing with Total 50,000+ Books, vast collection of Journal, Magazines and E-Resources.

WHY ECHELON ?

- **Only Institute with minimum 65%** eligibility criteria in 10+2 exams.
- **State-of-the-art Infrastructure** spread over an area of 17.5 acres with centralised air Conditioning.
- **Quality Faculty** absorbed from Academia and Industry. More than 50 faculties with Ph.D. degrees.
- **Mentoring System** Dedicated to manage each student with personal focused interaction on an individual basis.
- **Excellent arena of Sports Facilities** covering all range of sports viz Cricket, Basketball, Kabaddi, Football, Throw ball etc. Coming up with a tennis court with floodlights and a swimming pool in fulfilment towards the goal of a multi-disciplinary sports complex on the campus.

A life on one hand rooted in freedom, independent choice making, able to inspire support from others, taking full responsibility of the past and full of heartfelt commitment to its future.
- Encourage students to participate in **National/International competition** like SIH(Smart India Hackathon), IDEATHON, etc.
- **Centrally Air Conditioned** distinguished library, best in NCR region with new range of books both the hard and the digital copies.
- Two semester Intensive Training for **GATE Aspirants** from 3rd year and onwards. Intensive Training For Bachelor's Degree for **CAT Aspirants.**

- **'The Last Centre'** club with a dedicated 3000 square feet of space to train the students in becoming a conscious leader, able to make a meaningful creative contribution towards industry, society, environment and the nation around.
- **Ongoing training to the students and teachers** by high end industry experts in the fields of upcoming and continually arising new technologies making education relevant, meaningful and industry & research specific.
- As per NEP(National Education Policy), an inbuilt mechanism for **Social** and **Emotional Learning** – A crucial component of Education.
- **Green** and **eco-friendly campus** which focuses on energy efficiency by preserving natural resources for healthy living and a good learning environment.
- **Waste Management** and environment improvement measures to ensure a sustainable Green Campus.
- Implementation of **Unnat Bharat Abhiyan/Saansad Adarsh Gram Yojana.**
- We have established several **centres of excellence** and signed MoUs with them to provide skill development training to the student.These centre of excellence includes Honey well -ICT, GTT BARCLAYS, CISCO -NIIT Academy Foundation Partner, CETPA, SOFT PRO and NASSCOM. Only Institute in Faridabad having **Centre of Excellence** for multi-disciplinary research & Incubation Centre.
- Implementation of the Schemes Announced by the Government of India.
- Implementation of mandatory **Internship Policy** for Students.
- ERP software making the whole campus digitalized.
- Institute Innovation Council (IIC).
- Institution-Industry Cell.

THE DIRECTOR

DR. SUDARSHAN GOSWAMI

It's my great honor to talk to you people in the the capacity of the Director of this august institute. The campaign is dedicated to the transformation and evolution of engineering education. It's indeed a pleasure to share with you and communicates with a deep sense of gratitude towards my colleagues as co-trustees and faculty of this institute, that, the very values we abide by and live on a day-to-day basis in conducting this noble mission is that of collaborative creation, respect for universal life, constant learning, value enhancement, conscious continuous impact on quality of life, commitment to humane technology, and a deep thirst for integrated holistic growth of all.

To make a meaningful and an impactful contribution to the needs of the industries, we recognize that the need of the hour is the creation of jobs in the country. We are geared and ever ready to learn and grow to meet the challenges on regular basis with the evolving society, culture and technology.

In pursuit of these aspirations and courses, we are already committed and engaged in creating skill development through various programs as envisioned by the Parliament and the Prime Minister. Wishing to make a leading contribution in fulfilling the aspirations and the ambitions of these great schemes envisaged by the Prime Minister, we have already started developing small centers for skill development in the villages around Faridabad.

Training and placement are central in fulfilling and achieving that aim. Recognizing that we invite the industries to partner with us in training the students and the faculty and sharing with us on regular basis the needs of the industry and how we can always keep the students ready to meet the expectations as demanded by industry and country. We invite you to the future of Engineering Education, where students can theoretically and practically understand the trends of engineering and technology. Besides they should be drinking and breathing the essence of engineering and technology and giving vision to the culture of future communities. We assure you, our students will be an asset to your organization.

GUIDING LIGHTS: REFLECTIONS ON THE ART OF TEACHING

is more than imparting knowledge, as education is the only path that will lead to endless possibilities. Education, at its core, is a journey of understanding and growth — where teachers guide and students navigate. Education, in its simplicity, contributes a part as the foundation of a progressive society. It's not just about textbooks or a lesson; it's about nurturing individuals who contribute meaningfully to the world and teachers play a pivotal role in this transformative processfor new generations.

1:15

1:15 FACULTY-STUDENT RATIO

This optimal ratio ensures individualised attention, fosters meaningful mentorship & nurtures a collaborative learning atmosphere.

ADMISSION PROCESS

The admission is based on the combination of marks obtained in 10+2 of CBSE or any equivalent examination for UG courses/graduation for PG courses and EIT Screening Test or the valid score obtained in national level tests conducted by various organizations CUET/JEE/CAT/MAT followed by personal interview.

Duly filled application form along with the required documents can be submitted online or by visiting personally at the Admission Office of the institute.

"The eligibility criteria, merit, and procedure for admission are subject to the guidelines issued by the AICTE New Delhi, J.C. Bose University of Science and Technology, Faridabad and DTE Govt. of Haryana."

ANTI-RAGGING REGULATIONS & MEASURES

At Echelon Institute of Technology, we uphold a commitment to maintaining a safe, respectful, and nurturing environment for all. Ragging is strictly prohibited, and we have implemented stringent measures to ensure the well-being of every student.

We Strictly Follow Curbance of Menace Act of Ragging, as per UGC Guidelines. We are a Central Surveillance Monitored Institute.

Not A Single Case of Ragging in past 10 Years. We are Always with our Students.

KEY POINTS AND GUIDELINES:

Exemplary Disciplinary Action:

We emphasize that the disciplinary action for individuals involved in ragging will be exemplary and justifiably harsh. This approach is intended to serve as a deterrent, preventing the recurrence of such incidents and safeguarding the well-being of our students.

Legal Consequences:

In every case of ragging, an FIR will be filed without exception by the institutional authorities with the local police. This step ensures that legal consequences are swift and effective, reinforcing our commitment to eradicating ragging from our campus community.

Anti-Ragging Committee Decision:

The Anti-Ragging Committee of the institution will judiciously evaluate each incident of ragging. The decision on punishment, or otherwise, will be based on the facts of the incident, considering its nature and gravity.

POSSIBLE DISCIPLINARY ACTION:

- Cancellation of admission
- Suspension from attending classes
- Withholding/withdrawing scholarship, fellowship, and other benefits
- Debarring from tests, examinations, or other evaluation processes
- Withholding results
- Debarring from representing the institution in any event
- Suspension/expulsion from the hostel
- Rustication from the institution for a period ranging from 1 to 4 semesters
- Expulsion from the institution and debarring from admission elsewhere
- Collective punishment for unidentified offenders, ensuring community pressure against potential raggers.

Thus, our motto is: **Zero Tolerance to Ragging! A firm NO to ragging in any form!!**

ELIGIBILITY CRITERIA

UNDER GRADUATE PROGRAMS

B.TECH

DURATION : 4 YEARS

Passed 10+2 examination with Physics, Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/Biology/ Technical Vocational Subject. Obtained at least 65% marks (60% in case of candidates belonging to reserved category) in the above subjects taken together.

B.TECH (LEET)

DURATION : 3 YEARS

Passed Diploma examination with at least 65% marks (60% in case of candidates belonging to reserved category) in appropriate branch of Engineering & Technology.

BCA

DURATION : 3 YEARS

Passed 10+2 examination with at least 65% marks(60% in case of candidates belonging to reserved category) in qualifying examination.

BBA

DURATION : 3 YEARS

Passed 10+2 examination with at least 65% marks (60% in case of candidates belonging to reserved category) in qualifying examination.

*__BCA (DS)__ – same as **BCA (Gen)** along with Mathematics as complusory subject.

ELIGIBILITY CRITERIA

POST GRADUATE PROGRAMS

M.TECH

DURATION : 2 YEARS

Passed Bachelors Degree or equivalent in relevant field with at least 60% marks (55% in case of candidates belonging to reserved category) in the qualifying Examination.

MCA

DURATION : 2 YEARS

Passed BCA/ Bachelors Degree in Computer Science Engineering or equivalent Degree or Passed B.Sc./ B.Com./ B.A. with Mathematics at 10+2 Level or at Graduation Level (with additional bridge Courses as per the norms of the University).

Obtained at least 60% marks (55% marks in case of candidates belonging to reserved category of Haryana only) in the qualifying Examination. Result awaited (Qualifying Exam) candidates can apply.

The graduates whose qualifications are B.Sc./ B.Com./ B.A. with Mathematics at 12th or graduate level are eligible for MCA, however university may decide to conduct a bridge course (of short duration) for such graduates after admission.

MBA

DURATION : 2 YEARS

Bachelors Degree in any stream of minimum three years duration from a recognized university. The candidate must have clearly passed with an aggregate of 60% marks (55% for SC/ST candidates of Haryana only) at graduation level.

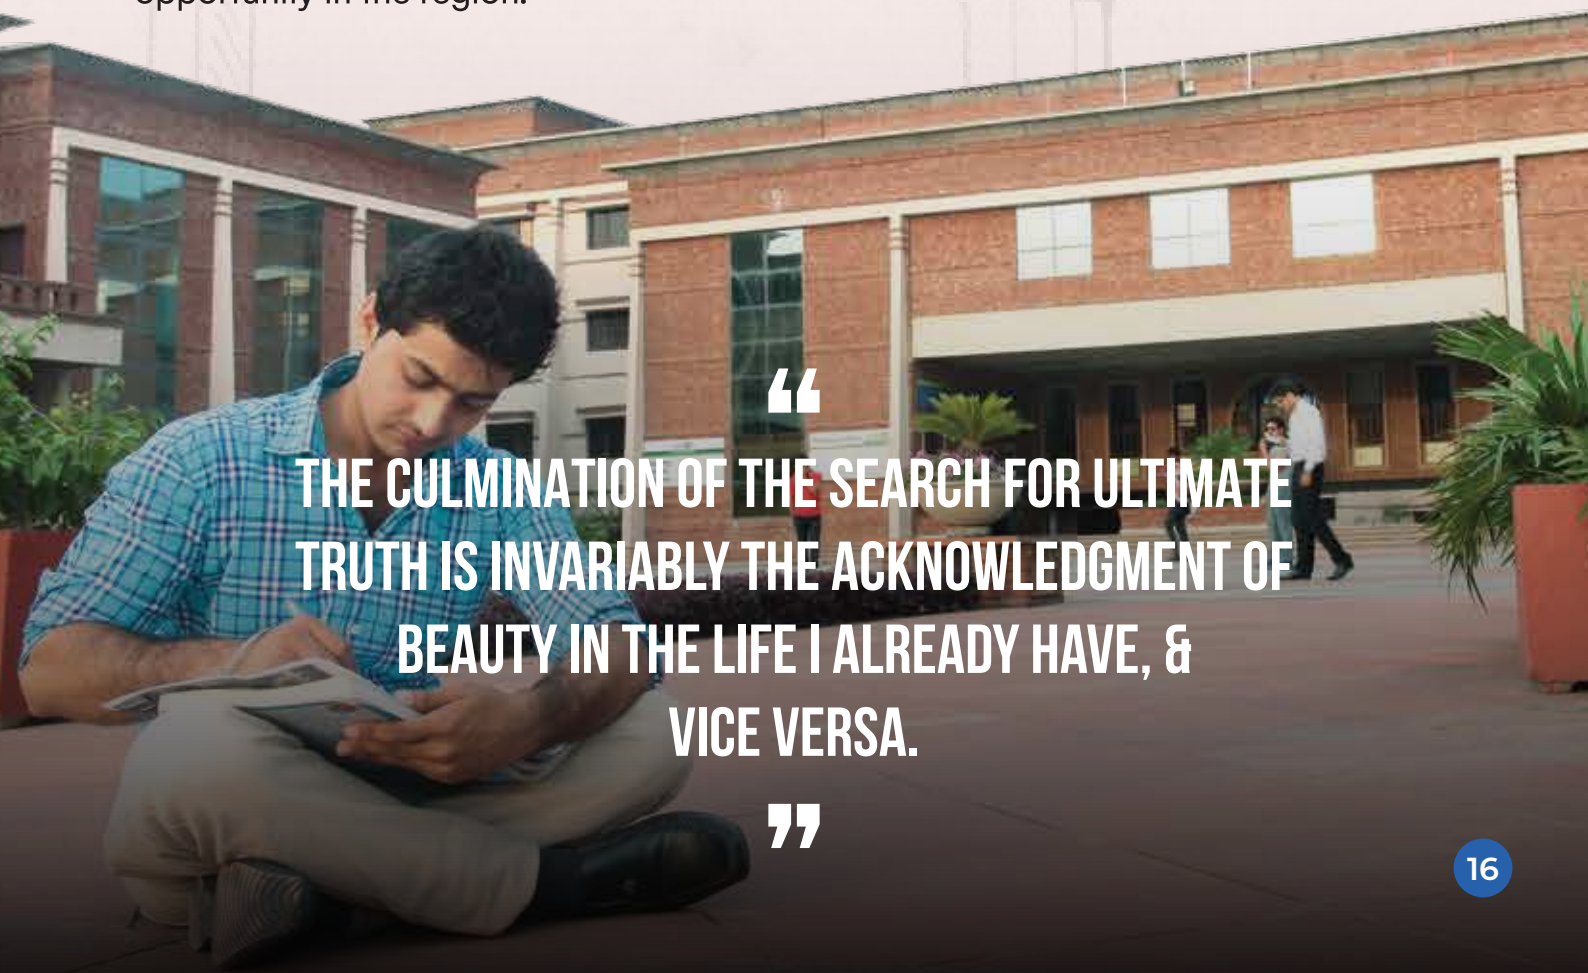
UNPARALLELED SERVICE TO HUMANITY

Conscious Social Responsibility

We, as a team at Echelon, are committed to welcome the future of engineering education i.e. to bring the experiential engineering education to the country. With the rapid advancements of science & technologies, the culture that the humanity lives in is altering at a very fast pace. The breakthrough in the sciences and technologies today are the harbinger of the very culture we live in. The way we communicate, we go through our day to day life in our houses and offices has gone for a sea change in the last 20 years. The relationship between the culture, the communities we live in, the industries which fulfill our need and high altar of the labs experimenting to find solutions, has to be intrinsically woven together to make continually the meaningful contribution and proceed on the path of evolution.

EMPOWERMENT SCHOLARSHIP

Echelon is a non-profitable Institute promoted by the spiritual community called "The Last Centre". Honouring its intent & commitment towards an enlightened society, Echelon offers support through “Empowerment Scholarships” to those with high intent and low resources”. Under this Scholorship, a financial aid to any extent (upto full fees waiver) will be extended to economically weak but meritorious students with thirst to go on quest for scientific truth, so that there is no victim of missed opportunity in the region.



“THE CULMINATION OF THE SEARCH FOR ULTIMATE TRUTH IS INVARIABLY THE ACKNOWLEDGMENT OF BEAUTY IN THE LIFE I ALREADY HAVE, & VICE VERSA.”

ACADEMIC DISTINCTION

Academic distinction has always been the hallmark of Echelon. In its constant endeavour to build an environment for holistic development of the students, Echelon has adopted various measures like special coaching for GATE/CAT aspirants, communication & soft skill development, in-house industry-oriented training projects and similar other programs.

DEPARTMENTS

HUMANITIES AND APPLIED SCIENCES

The Department of Humanities and Applied Sciences plays a vital role in inspiring the students to have a strong background in the basic science for the engineering curriculum and provides value-based liberal education to nourish the budding engineers with fine aspects of science to produce competent professionals.

Department provides requisite labs, smart classes and workshops which is an excellent teaching methodology for nurturing the students to be good human beings and developing in them, a scientific temperament along with creative, logical, analytical thinking skills. The students are armed with skills to explore the technologies of the future.

HUMANITIES AND APPLIED SCIENCE

COMPUTER SCIENCE & ENGINEERING

The growth of computer power has brought miraculous breakthroughs in hardware and software, which have in turn changed global behaviour and culture.

Computer science is responsible for smartphones, tablets, the internet and networked communications, even social media. We live in a society that consumes content – whether that be news, information, entertainment, or communication – through screens. We are truly living in a digital age, driven by computer science.

JOB OPPORTUNITIES:

- **Software Engineer/Developer**
- **Data Scientist/Analyst**
- **Artificial Intelligence/Machine Learning Engineer**
- **Cybersecurity Analyst**
- **DevOps Engineer**
- **Game Developer**
- **Big Data Engineer**
- **Network Engineer**
- **Research Scientist & many more...**

COMPUTER SCIENCE & ENGINEERING

ELECTRONICS & COMMUNICATION ENGINEERING

The Department was set up to nourish the students into highly skilled engineers with extensive knowledge in the field of Electronics & Communication. The department is well equipped with all the gadgets, instruments and softwares required for experimental work. Project work throughout the course strengthens the necessity for a combination of practical and theoretical skills and abilities.

JOB OPPORTUNITIES:

- **Embedded Systems Engineer**
- **Signal Processing Engineer**
- **Drone Tech. Expert**
- **Network Engineer**
- **IoT Engineer**

FACILITIES

TRANSPORT

With this service, we aim to streamline travel, ensuring punctuality and convenience for students and allowing them to focus on their academic and campus experiences without worrying about transportation logistics.

HOSTELS

Hostel is a preparation to create home away from home. It is where the life of a Gurukul starts, albeit a modern one. It is a balance between the training and the rejuvenation & relaxation. It is where the students get grounded, satiated, fulfilled, refreshed and rejuvenated. It's where the students begin to have a sense of belongingness and camaraderie. It's where the loneliness of life can best be dealt with. It's where the students realize that true independence is the fountain head to experience the love and togetherness in life. At one hand, the students begin to experience confidence and freedom to make their own choices and on the other, the students begin to realize that they have an inherent ability to bring together a family away from family and inspire support in their life.

CAFETERIA

MESS

In order to provide the hostellers very hygienic, nutritious & wholesome meals, a beautiful, well designed Mess has been provided between the two hostels. The meals are prepared under the care of a joint Mess Committee comprising students from both the hostels. Extremely nourishing meals with high ayurvedic properties are cooked with great love & care by a team of spiritual dedicated cooks of the Last Centre kitchen, a non-profitable subsidiary of The Last Centre, managing the institute. This highly nourishing, delectable & delicious food gives the boarders a feel of 'Raso Vaisa', which tastes like the essence of God. The students are served with nutritious breakfast in the morning & refreshment in the evening besides lunch & dinner.

MENTORING

Mentoring System dedicated to manage each student with personal focused interaction on an individual basis.

Mentoring is a process for the informal transmission of knowledge, social capital, and the psychosocial support perceived by the recipient as relevant to work, career, or professional development; mentoring entails informal communication, usually face-to-face and during a sustained period of time, between a person who is perceived to have greater relevant knowledge, wisdom, or experience (the mentor) and a person who is perceived to have less (the protégé). The students come with diverse thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose. This means seeing the relationship as more than just "helping" the mentee, but as a relationship where both people grow over time.

PARENTS' INSTITUTE CONCLAVE

A Parent Institute Conclave is a gathering specifically aimed for parents and is organized every semester. It provides a platform for Parents to gain valuable insights into various aspects of their children's education and well-being. Additionally, they foster collaboration by facilitating discussions and building a supportive community amongst parents. This two-way dialogue between parents and the institution allows an enhanced communication and a more collaborative approach towards student success.

AN INSTITUTE OF THE STUDENTS, FOR THE STUDENTS, BY THE STUDENTS.

"A democratic spirit is truly practiced"

Celebration of youth, intelligence, creativity and scientific understanding is celebrated at the institute campus by giving a direction to the youthful energy of the students in discovered understanding of the heartfelt potential of students as recognised by the students themselves. Honouring the dignity of freedom of choice is the foundation of programs, curricular, extra-curricular cultural, technical, sports or any other self chosen pursuit of the students. Debate, discussion, redressal of concern among faculty, staff and students with the regular participation of management is the bedrock of arriving at conclusions viz-a-viz any decision concerning the future of students. Students enjoy complete freedom in expressing their voice for any issue closer to their heart. The philosophy at Echelon is The way to freedom is responsibility to create, integrity to inspiration and concern to the family you are. "All the issues conceming the students are also voiced and addressed regularly by bodies of the students at various platforms beginning at the level of each and every classroom. The students have full freedom to acknowledge their issues, voice them, dissent, disagree, debate and protest which shaped them in becoming the leaders of the future in their respective heartfelt chosen fields. The students have various platforms available for their self expression like mentor groups, student coordinators, clubs, academic council grievance redressal mechanism, IIPC etc.

"CREATIVITY BY ITS NATURE IS SELFLESS, NON-RELATIVE AND NON CONTEXTUAL. IT BEGINS IN THE INTIMATE SACREDNESS OF THE BEING AND CULMINATES IN THE SHARED TOGETHERNESS OF THE COMMUNION OF THE COMMUNITY."

एस्लोन इंस्टीट्यूट ऑफ टेक्नोलॉजी, फरीदाबाद ने "Campus to Corporate" कार्यक्रम का आयोजन किया

अटल हिंद/वीरेंद्र गर्ग

फरीदाबाद, 10 सितम्बर। कॉर्पोरेट जगत की चुनौतियों के लिए अपने छात्रों को तैयार करने के उद्देश्य से एक अंतरराष्ट्रीय पहल में, एसएलन इंस्टीट्यूट ऑफ टेक्नोलॉजी, इस क्षेत्र के प्रमुख तैकनिक संस्थानों में से एक है। 5 से 9 सितंबर, 2023 तक पांच दिवसीय प्रेरणा और कॉर्पोरेट प्रशिक्षण कार्यक्रम का आयोजन किया। इस कार्यक्रम में B.Tech, BBA और BCA program के अंतिम वर्ष के छात्रों ने भाग लिया।

कार्यशाला का मुख्य आकर्षण सम्मानित प्रेरक वक्ता श्री शेखर प्रजापति रहे। उनकी प्रेरक वार्ता और ट्रांस-फॉर्मेटिव अंतर्दृष्टि के लिए प्रसिद्ध कार्यशाला, सभी प्रतिभागियों के लिए प्रेरणा और जीवन बदलने के अनुभवों का एक शक्तिशाली स्रोत रही। इसमें छात्रों ने अपने जीवन के अपने चरम की चुनौतियों से निपटने के समाधान के बारे में जानकारी हासिल की।

सेशन के दौरान, समय प्रबंधन और प्रभावी संचार से लेकर नेतृत्व कौशल और व्यक्तिगत विकास तक कई विषयों का समावेश किया गया। श्री शेखर प्रजापति की छात्रों के साथ जुड़ने की क्षमता को आकर्षक और मनोरंजक गतिविधियों की एक श्रृंखला द्वारा बढ़ाया गया था।

इस कार्यक्रम का आयोजन डॉ. युकेश कुमार मैनी, डीन एकेडमिक, और डॉ. सुनेना कुन्दर, निदेशक के प्रमुख (कम्पूटर विज्ञान और इंजीनियरिंग) की देखरेख में किया गया।विद्यार्थियों समय शिक्षा और व्यक्तिगत विकास के लिए समाज की प्रतिबद्धता को मजबूत करे। उन्होंने समाज पर सकारात्मक प्रभाव डालने के लिए तैयार दौर के व्यक्तियों को आकार देने में प्रेरणा और कॉर्पोरेट प्रशिक्षण शिविर जैसे पहल के महत्व पर जोर दिया।

एसलोन इंस्टीट्यूट ऑफ टेक्नोलॉजी की समग्र शिक्षा के प्रति प्रतिबद्धता और भविष्य के लिए अपने छात्रों को तैयार करना, इस असाधारण पहल में स्पष्ट रूप से स्पष्ट था। 9 सितंबर, 2023 को सभी प्रतिभागियों को सर्टिफिकेट प्रदान किए और शिक्षक प्रजापति को धन्यवाद के साथ कार्यशाला का समापन किया।
